EDITOR'S NOTE

The staff and I present to you, the student body and faculty the 1960-61 Bear's Tale. We hope that through this book of memories you will recall the pleasures of your high school years.

This annual is not dedicated to any one person, but to the hopes and dreams of everyone in GHS. It is dedicated to those who have made it what it is, both students and teachers.

For his expert counseling and his patient help we thank our sponsor, Mr. Jimmy Rowe. Without his help we could not have produced this annual.

There was a rule of the "Name the Bear" contest that no member of any publication staff could enter the contest. We would like to verify that Mike Cannon was not a member of the Bear's Tale staff at the time he won the contest, but several weeks later joined us.

With our sincere wish that you will enjoy and cherish this annual, we bring to you the 1960-61 Bear's Tale.

Sincerely,

James Rotamel

ABOUT OUR THEME

Your annual staff has selected Mr. G. as the theme of the 1960-61 annual. We feel that he is appropriate because he portrays GHS school spirit in the form of its mascot.

The big brown bear's full name is Girard H. Smythe. No, he isn't real, but a paper mache' and brown cotton representation of a mischievous bear named Yogi Bear. The editor and assistant editor wrote the Hanna-Barbera Company to get permission to copy Yogi. We would like to thank them for their co-operation.

He received his name through a "Name The Bear" contest which was sponsored by your annual staff. The winning name was picked from the many names submitted by the student body. Mike Cannon, who gave the winning name, will receive a free annual.

There were so many good names given that it was a hard choice and we sincerely regret that all who entered couldn't win. The staff wishes to thank the student body for their support and suggestions.

Mr. G. has been present at some of our pep rallies and has represented the school mascot at our Homecoming Game. Throughout the 1960-61 Bear's Tale, pictures of him are used on the division pages. The staff has tried to capture Mr. G. going to school as the average GHS student. We have gotten pictures of him in classroom activities to show this. Mr. G. is used throughout the annual to add interest to the many important things that have happened in this year of 1960-61.

CONTEST

The mascot for the 1960-61 school year has been Mr. G., our Bear. In a contest early in the year Mr. G.'s official name was chosen by your Annual staff to be Girard H. Smythe. The winner of the contest was Mike Cannon, a Senior, who got a free Bears's Tale.

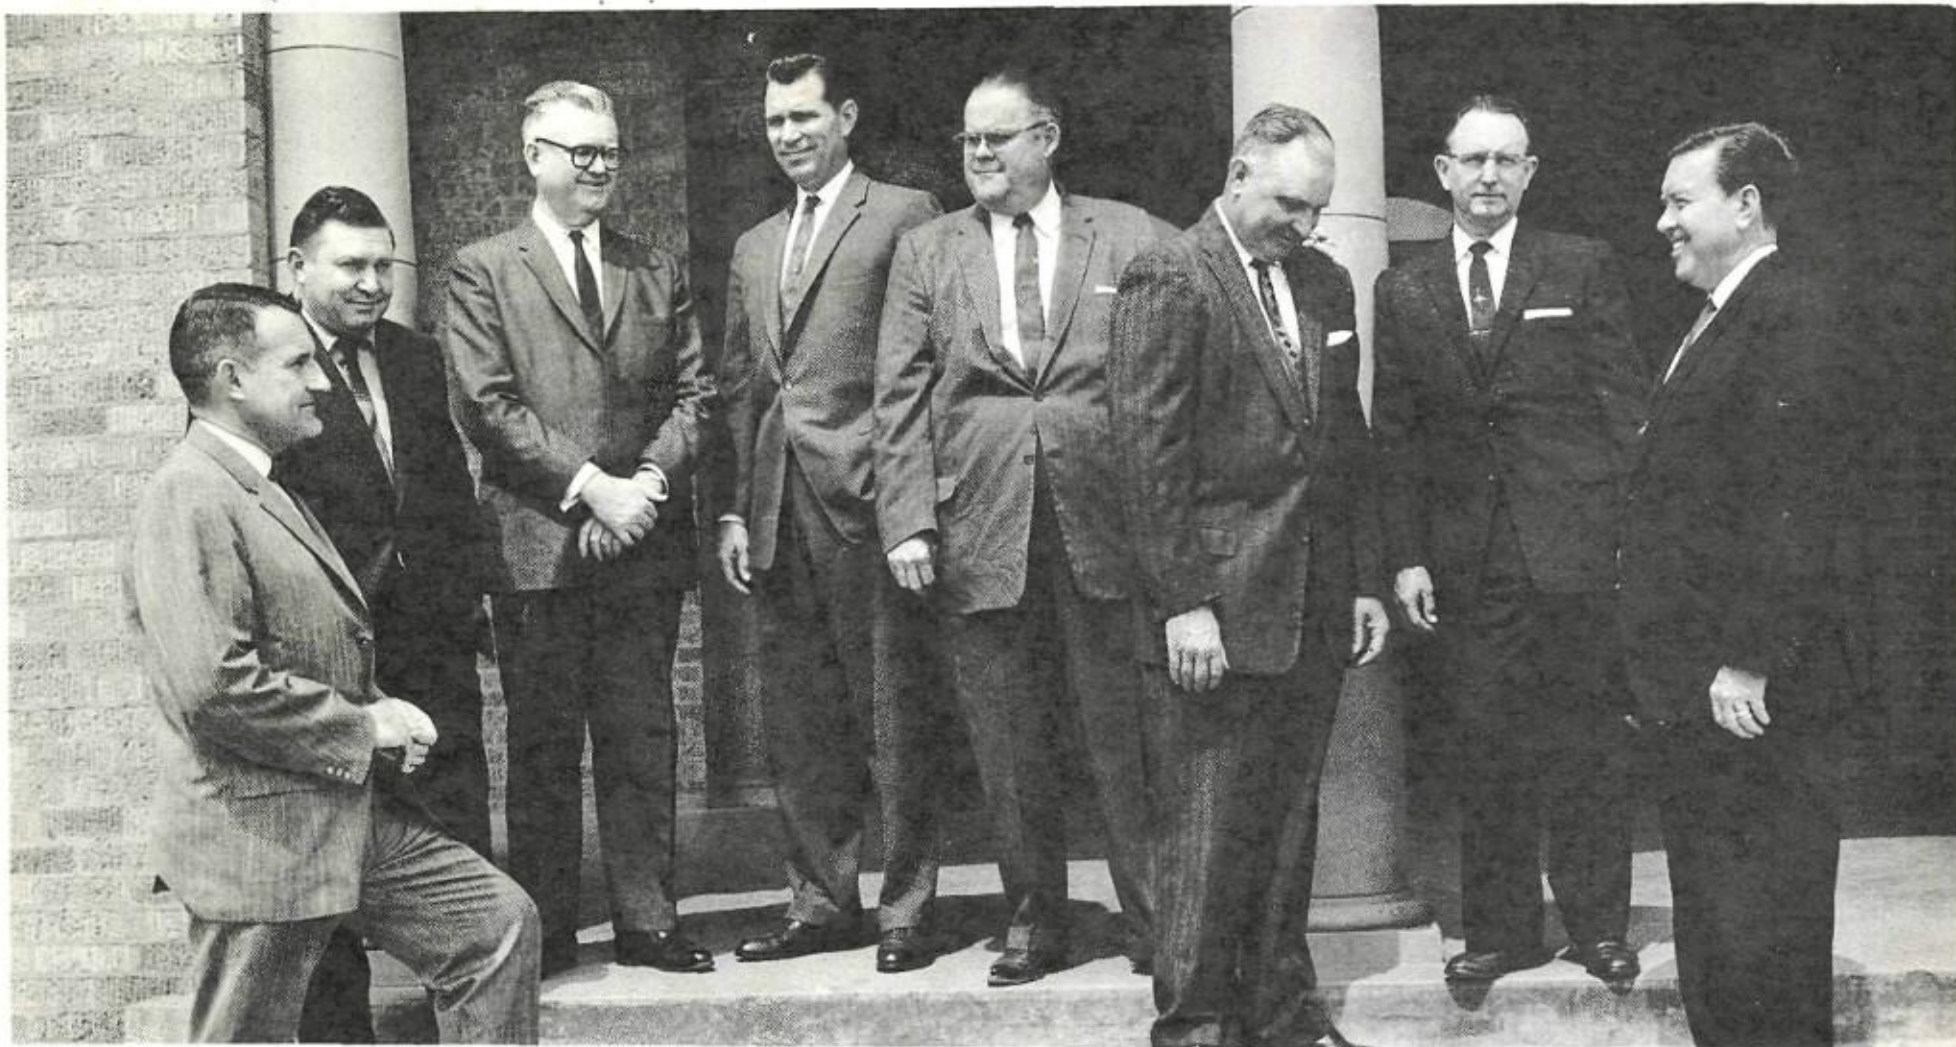

ADMINIS

Dear Wayne,
I guess this about the
end of it for me.
I sure will miss
my chemistry class next year.
I suppose you will
be glad to get out
too, but you will miss
all your friends next year.
Love

The G.H.S. Band has long been a representative of not only the High School but also of the city of Gladewater.

The 62 member band work hard to make our band one of the best in the state of Texas.

To prove they are hard working, they were the outstanding band at the Galveston Splash-Day Parade in May of 1960. Also, among their honors is the distinction of being the Best band at the Gilmer Yamboree in October of 1960. They also received the honor of being rated first in Concert, inspection, and Marching.

These are among only a few of the many honors won by our band. They will journey to Los Angeles during the summer as their yearly trip.

The members of our Junior High Band work very hard. Most of them are planning for the day when they can become members of the High School Band.

Their activities include concerts for grade school, and the Spring Concert.

It is the largest Junior High Band in years, and we know that they will be a real asset to the High School Band as well as to the student body.

Shown below are the Junior High Band officers: President, Claudia Houser; Secretary, and treasurer, Barbara Cannon; Reporter, Claire Hamilton; Sargent at Arms, Kay Craig, Karen Mars, Judy Thompson, Keith Jernigan, Clay Brazil, and Charles Valdetero.

These students, having received first division ratings on either solos or ensembles, were jacket-award winners this year. These thirty-one Band students brought more medals to their Band than did any other Region IV band.

Paul Morrison, Steve Brown, Ronald Bailey, William Anderson, Glenn Leopard, Max Herd, and Lee Earl Hatton are shown on the top row of the G.H.S. State Band. On the second row are: Donald Applegate, Allen Nelson, Melvyn Freeland, Carolyn Warren, and Mary Fouse.

Students of Gladewater feel that our High School Choir is the best. It is composed of seventy-four hard-working members.

The greatest honor that they received was that of three students being chosen to sing in the All-State Choir.

Our Choir's function is to promote music appreciation, to further the knowledge of music, and to learn to perform in public.

Their activities include a trip to Los Angeles, Spring Concert, School assemblies, contest, civic organizations, and taking part in TMEA Day at the State Fair.

They have sung for civic organizations, school assemblies, contest, clinic, and a spring concert.

The purpose of this staff is to present to the Student Body in the form of a yearbook all the activities that have happened in this past school year.

The BT staff's 16 hard-working members devote part of their time and talent to the production and distribution of the award-winning Bear's Tale.

In this past year of 1960, the annual staff added to its already many awards the Certificate of Merit. This award was presented to the staff at the Texas High School Press Association at Denton, which is attended each year by a few select members of the staff. This year seven were selected. Mr. Jimmy Rowe, Printing and Photography teacher along with Mr. Jerry Poole, Art teacher were sponsors on this year's trip.

Another yearly event which members look forward to is the trip to Dallas. These honored members get a day out from school for this thrilling trip. The purpose of this trip is to see annuals bound.

GHS students as well as BT staff members are proud of the fact that their annual is the only one printed in the state of Texas in a printing shop such as ours.

"Riders to the Sea"

"Riders to the Sea" won both district and regional one-act play contests this year, and competed in the state contest after annual press-time. Four members, pictured at left, were placed on both of the All-Star Casts. The play, which was directed by Roy Brown and produced by the Crimson Masque Players, is a tragedy which centers around the struggle of Maurya (Molly Swearingen) against the Sea to save the life of her son Bartley (Melvyn Freeland). Her two daughters, Cathleen (Lee Ann Berry) and Nora (Carol Meason), comfort her after the death of Bartley. "Keeners" bring Bartley's body to Maurya, and in the closing scene, Maurya prays for the souls of Bartley and the seven other men she has lost to the Sea.

The Bear Facts, our school paper, plays a very important part in our school and community. The 27 members of this organization does a tremendous job of informing the community of the activities of the school and the honors that the students received through this bi-weekly publication.

The top four editors and the sponsor attended a two and one half day meeting of the Texas High School Press Association in Denton. At the convention they attended meetings and a banquet. It was climaxed by a presentation of awards.

Winning the first place at the North Texas State College Journalish Day was one of many coveted awards won by the Bear Facts. In addition, they were awarded an all-Texas rating from the THSPA in Denton. Not only have they won these awards, but individual staffers have won many awards themselves.

This is one of the newest clubs organized at Glade-water High. Its purpose is to get more students interested in the nursing profession.

It has only six members, but they as well as other GHS-ers, look forward to a greater membership in the years to come.

One of the members was honored with a trip to a Seminar in Greggton. They visited the East Texas School of Nursing in Tyler on April 3. The club also attended a convention in Corpus Christi in March.

The club meets every second Tuesday. At these meetings, they discuss what they are doing at the various hospitals where they do voluntary work.

In May, they invited the future nurses to come to their meeting and to elect their officers for the coming year.

The FTA is proud of the two awards they received at the district convention this year. They won second-place in the Mr. FTA contest and one of the students received the honor of district secretary.

The Future Homemakers of America is a national organization of pupils who study homemaking. They work together for better and happier home life for everyone. It is the belief of the 80 GHS members that helping to make happy homes, now and in the future, is the most important thing they can do for democracy.

Among their many projects for this year is making money to have the homemaking room air conditioned. They also enjoyed a trip to the Dallas Fair in October.

Members also attended the district meet in Waskam and the state meeting in Dallas.

Interest in this club was increased during the year by the establishment of a language laboratory. Students can listen to records of Spanish in song or speech.

To prepare for Interscholastic League competition is the purpose of the Number Sense Club.

This is a very small club, but the four members really work. This is evident by the fact that they took first and second in District competition.

Their activities include a trip to Regional Meet and they hope for one to State.

They brag that for the last two years at least one GHS-er has gone to Tri State Meet.

RULE

The purpose of this club is to prepare the members for Interscholastic League Competition. Although this club has only seven members, they work hard and long for their honors. They have won first and second in District and taken first and second places in Regional competition in 1960.

Three out of the past four years, they have won two of the first three places in state competition.

FAVORITES

Wayne, nice
It's been you this
knowing you next year
year. Make become better
we will become better
friends. Best of everything
Love
Jim

Dear Wayne,
You have been a great
friend to me these past years,
and I hope that our friend-
ship continues even though we
become separated in our paths
of life.

Remember all the fun we
had in Latin? Miss Aycock sure
did get mad at us on the
San Angelo trip but everything
worked out fine.

Remember, too all the
"laughs" we had on the
tennis tournaments. I guess
I got more enjoyment out
of those than anyone else.

I want to wish you the
best of everything that life
has to offer because you
are one who deserves it.

Don't ever forget all
the fun that we have
had together and I hope
that if Kenneth and I
stay together even if forget
you.

Love always,
Wayne
